SUMMARY

As a curious and passionate frontend developer, I have recently graduated from a 2-year web development program at Noroff with top grades. I have a deep passion for coding and UX design, and I'm dedicated to continuous learning and growth. My diverse background in international finance and shipping has provided me with a unique perspective that I bring to projects and workplaces. In addition to my technical skills, I possess valuable soft skills for effective collaboration with various stakeholders. I am currently seeking opportunities to apply my skills and enthusiasm to exciting projects.
